Always do right. This will gratify some and astonish the rest — Mark Twain

Continuing Executive Education Introducing New Service for Members

Our Institution always strives to add more high value services for its members. Though it organises many valuable seminars/workshops, etc. on technical topics, realising that many of you are on management positions, we have now decided to provide you the highest quality management programmes on contemporary issues, to upgrade skill and keep you abreast of the best in management practices. Dr. H. K. Shivdasani, has agreed to be the Sr. Advisor, Continuing Executive Education and conduct, organise MDPs and Executive Education at all management levels. Dr. Shivdasani has been operating a well-known consulting firm MHB Counsel (now renamed LENS) for over three decades. He was on faculty of IIM Ahmedabad and has organised a large number of programmes for middle and top management levels for country's leading multinational and Indian houses. The calendar of programmes for next few months shall be ready in a few days and interested members can contact Dr. Shivdasani on his mobile 09870719100.

The inauguration of this new service will be on

Friday, 15.05.2009 at 6.00 p.m. with his talk on "Enhancing and Accelerating Career/Professional Success and Sense of Personal Fulfilment" for erudite and enlightened professionals of all ages and all (upto CEO) levels. All members and friends are invited to attend.

Forthcoming Events

1 Gururwar for Concrete Guru

Mr. S. A. Reddi does not require any introduction. He retired as Dy. Managing Director of Gammon India Limited. He is shifting his residence from Mumbai to Bangalore. He has donated various precious collection of technical books to our Institution's library. Members are requested to take advantage of this for reference books, by contacting our librarian.

Mr.Reddi at the age of 76 is ready to pass on his technical knowledge, experience & innovative experiments to upcoming engineers. He has agreed to give 5 presentations based on practical problems and how they were solved. To derive

One-day seminar on "Asset Valuation — A key element in Business Valuation" held on 18.04.2009

The above seminar was held on 18th April, 2009 in the auditorium of our Centre from 10 a.m. to 6 p.m. Shri Rajeevkumar, District Valuation Officer, Income Tax Department, was the chief guest, who address participants about the need of learning latest techniques in valuation and continuous education to improve quality and standards of valuation. Shri Harshad Maniar, Chairman Institution of Valuer, Mumbai branch, apprised participants of bank's demand to provide indemnity & solvency certificate for providing services, unfortunate drastically reduction in valuation fees as well as proposed valuation bill. This seminar was organised by Mohit Mehta, Value Add Consultant and was sponsored and co-sponsored by Dr. Ajay Nakashe, ABN Technologies Pvt. Ltd. and Institution of Valuers,

Mumbai branch respectively. All participants, about 70, who came from Maharashtra and neighbouring States, gained significant knowledge from the speakers *Sarvashri R. K. Patel*, *Jaya Shankar* and *Mohit Mehta*, who spoke about business valuation and importance of asset valuation and engineer's role in the entire process.

that normally 99% accuracy is considered good enough but in many cases even Six Sigma accuracy is not tolerated. The goal of Six Sigma is to improve customer satisfaction. He explained success strategy with the help of case study.

The meeting ended with thanks to the Chair.

2

One-day Seminar on 'World Class Manufacturing' held on 19.4.2009 at Mumbai.

The above seminar was inaugurated at 11.30 a.m. in the presence of *Dr. K. N. Nandurkar*, Er. *Prashant Patil*, *Hon. Secretary*, State Centre and *Dr. S. S. Sarda*.

Er. *Patil* explained the background of the seminar. In the first session, *Dr. K. N. Nandurkar*, Principal, *K. K. Wagh Institute of Engineering Education & Research*, Nashik, gave the overview of World Class Manufacturing (WCM). He explained the models of WCM, tools and techniques used and implementation plan for WCM in industries. He also stressed that our industries will have to go beyond WCM if they have to survive in turbulent global markets.

In the second session, *Mr. Anup Kumar Gorji*, GM, *Harvester Manufacturing Operations*, John Deere, Pune, introduced the products of John Deere and activities of their Indian Plant.

The third session was conducted by *Prof. M. M. Bhoomkar* of *PVG's College of Engineering & Technology*, Pune. He gave a review of World Class Practices and their applications to small & medium industries in general and for printing industry in particular.

The fourth session was conducted by *Dr. S. S. Sarda*, *Government Polytechnic*, Nashik. He said
